

Hashi

Hashi is a floor lamp conceived to provide direct light in a simple and flexible manner. Its principle component is the pivot between two "chopsticks" (Hashi) that serve as light sources.

The two sticks can be positioned in different ways. Particular care has been given to the proportions. The sticks always appear lightweight and balanced.

This cutting-edge, Italian company, consisting of nineteen artistic, talented designers, creates unique, modern and highly sophisticated lighting.

They have been published in twenty-eight books and fifty-eight magazines in Italy. Including: Interni, Elle Decor Italia, Brava Casa, Casa De Abitare. etc.
