

Plug Lighting introduces two new collections the **Trim** and **Wang** from **Barovier & Toso**. This Italian manufacturer is one of the oldest family businesses in the world, founded in 1295. **Barovier & Toso** is a Venetian company with international vocation and culture, creating solutions of decorative lighting in Murano glass, all characterized by a personal and unique style.

## Trim

A collection of hexagonal tubes handcrafted with a "ice" technique, known since the 18th century. **Trim** can be customized during installation into a strict and conventional order or an untidy shape. LED spotlights are inserted inside the thin ceiling structure or fitted onto the suspension plate. The collection includes two suspended lights and four surface mounts that have similar reflective shapes. LED's included.
