

## Joseph Dirand Diamant

Wall spotlight with aluminum cubic structure. Finishes are in satin white.

The lighting provides a projected light in a direction of 55° and with an angle of 40°.

The cultural dynamic of the partnership—one partner German, the other French—gives this team a modern sophistication, which translates in the unique design detail, technology and manufacturing.

Commercial projects include: Ritz Carlton Paris, Mr. Bleu Palais De Tokyo, Café Louvre, and St. Louis Hermes.

Residential projects are privately commissioned.

All fixtures are designed and manufactured in Paris.

Size:

5.6" W x 6.4" D x 5.7" H

12 W LED; 0-10V Dimmable

2700 K Color Temperature, 98 CRI, 1000 lumens
