

OLI

The name for this series of lamps comes from the Sanskrit word for the "glow of a lamp." Inspired by ancient Hindu and Buddhist sacred geometry and architecture, this contemporary lighting system in glass and bronze provides beautiful possibilities with customizable number and arrangement of lamps.

Design by: WOHA

When necessary, reinforce the ceiling.

Blown pulegoso glass modules, metal rods

Oli is inspired by ancient, sacred Hindu and Buddhist geometry and architecture.

This contemporary lighting system, in glass and bronze, provides beautiful possibilities: from a single lamp glowing in the darkness, to complex assemblies floating in space."
