

HASHI

Hashi is a floor lamp conceived to provide direct light in a simple and flexible manner. Its principle component is the pivot between two “chopsticks” (Hashi) that server as light sources.

The two sticks can be positioned in different ways. Particular care has been given to the proportions. The sticks always appear lightweight and balanced. Horizontal arm adjustable up to 270°.

Design by: Federico Delrosso, 2017

DETAILS.

FINISH AVAILABLE IN:

MATT BLACK / BLACK CABLE

MATT GOLD / BLACK CABLE

SIZE: 43.3" W X 59.4" H
