
PABLO

Pablo is a work about art. From Picasso to Ungaretti. The light is elevated to an art and contemplation object. A frameless luminous panel against the wall recalling the gesture to lean the paintings at the walls.

The light colour and the intensity can vary with a remote control. It's pure light. With no frills and useless things. A light you like to stay close in the evening, selecting its color.

DETAILS.
40.5" W X 40.5" H
66W LED 120V

RGB WIRELESS CONTROL
POWER SUPPLY WITH PLUG - DIMMABLE
WHITE PANEL - TRANSPARENT CABLE
